Lael E. Campbell – Director, Governmental and Regulatory Affairs and Public Policy, Exelon

Lael is Director, Governmental and Regulatory Affairs and Public Policy at Exelon Corporation, primarily supporting the Exelon Generation and Constellation businesses. Lael has been with Exelon/Constellation since 2008. Prior to joining the Regulatory Affairs team Lael served as an Assistant General Counsel responsible for regulatory and compliance matters associated with Constellation's energy trading business. A former CFTC attorney, Lael has taken a leading role in the company's Dodd-Frank implementation and regulatory initiatives, advising management on CFTC rulemakings, and overseeing the company's Dodd-Frank compliance implementation efforts. Lael has been actively engaged with a number of industry groups advocating for the interest of derivatives end-users, and is an associate member of the CFTC Energy and Environmental Markets Advisory Committee.
