TO: **Members, Committee on Small Business**

FROM: **Steve Chabot, Chairman**

DATE: **Wednesday, May 4, 2016**

The Committee on Small Business will meet for a hearing titled, "*Inspiring Entrepreneurs: Learning from the Experts.*" **The hearing is scheduled to begin at 11 A.M. on May 11, 2016, in Room 2360 of the Rayburn House Office Building.**

Every year since 1963, the President of the United States has issued a proclamation recognizing "National Small Business Week", which recognizes the contributions of small businesses and entrepreneurs in every community in the United States. This year, it was celebrated from May 1 to May 7, 2016. Setting aside a week to highlight the importance of small businesses serves as a reminder as to how crucial they are to our nation's property and economic security. At this hearing, the Committee will welcome individuals who are considered experts in the small business field, who small business owners and entrepreneurs turn to for advice. This hearing will provide Committee Members with an opportunity to hear directly from these experts about the lessons they have learned from a career focused on advocating for our nation's small businesses.

A staff briefing will be held at 2:00 P.M. on Monday, May 9, 2016, in Room 2360 of the Rayburn House Office Building.

If you or your staff have any questions, please contact Gregory Robinson, Counsel to the Committee, at 202-225-5821.
