AMENDMENT TO SUBTITLE D

OFFERED BY M__. _____

At the end of part 8, add the following:

SEC. 30485. LIMITATION.

No electric vehicle charging technology deployed or built using funding made available under this subtitle shall be operated using funding generated from the sale of electricity—

(1) by an electric power utility;

(2) through a regulated distribution system (owned or operated, directly or indirectly, by such utility); and

(3) where any cost, fee, or charge made by such utility operating the vehicle charging technology permits the utility to shift costs of its operations to electric consumers that do not use the technology.
