H. RES. 600

Urging the Government of Afghanistan, following a successful first round of the presidential election on April 5, 2014, to pursue a transparent, credible, and inclusive run-off presidential election on June 14, 2014, while ensuring the safety of voters, candidates, poll workers, and election observers.

IN THE HOUSE OF REPRESENTATIVES

MAY 28, 2014

Mr. GRAYSON (for himself, Mr. ISRAEL, and Mr. SHERMAN) submitted the following resolution; which was referred to the Committee on Foreign Affairs, and in addition to the Committee on Armed Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

RESOLUTION

Urging the Government of Afghanistan, following a successful first round of the presidential election on April 5, 2014, to pursue a transparent, credible, and inclusive run-off presidential election on June 14, 2014, while ensuring the safety of voters, candidates, poll workers, and election observers.

Whereas on April 5, 2014, the Government of Afghanistan held the first round of the presidential election in which voter participation was 60 percent;

Whereas on May 15, 2014, Afghanistan's Independent Election Commission (IEC) certified the results, and announced that a run-off election would be held on June 14, 2014, because no candidate received more than 50 percent of the votes;

Whereas on May 14, 2014, the IEC invalidated votes from 331 polling stations and removed them from the final tabulation, based on Electoral Complaints Commission (ECC) decisions;

Whereas there have been widespread reports of voter and election monitor intimidation, including the killing of members of the National Democratic Institute (NDI) during an attack at the Serena Hotel in Kabul on March 20, 2014, as well as attempts to bribe members of the IEC, the ECC, and other election monitoring organizations;

Whereas investigations by the ECC, and its coordination with the IEC, have not been conducted in a transparent manner;

Whereas 17 members of the Afghanistan National Security Forces (ANSF) were killed in Taliban and insurgent attacks while supporting the April 5, 2014, elections;

Whereas the United States and Afghanistan signed the Enduring Strategic Partnership Agreement to strengthen Afghan sovereignty, stability, and prosperity, while emphasizing a shared goal to defeat al-Qaeda and its terrorist affiliates;

Whereas United States and coalition armed forces have greatly contributed to the stability and security of Afghanistan at a considerable personal sacrifice; and

Whereas the United States has contributed more than \$100,000,000 toward the 2014 Afghan presidential election: Now, therefore, be it

3 national Security Assistance Force, including the
4 United States; and

5 (12) recognizes the sacrifices of United States
6 and coalition armed forces that have contributed,
7 and will continue to contribute, to the security and
8 stability of Afghanistan.
