# **A BILL**

To authorize the Secretary of the Interior to conduct a special resource study of Fort Ontario in the State of New York.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Fort Ontario Study  
5 Act”.

6 **SEC. 2. FINDINGS.**

7        Congress makes the following findings:

8            (1) From 1755 until 1814, Fort Ontario and  
9            three previous fortifications built on the site of the  
10            Fort in Oswego, New York, on the shore of Lake  
11            Ontario were used as military installations during  
12            the French and Indian War, the Revolutionary War,  
13            and the War of 1812.

14            (2) The original fort, erected by the British in  
15            1755, was destroyed by French forces in 1756. The  
16            fort was rebuilt and subsequently destroyed during  
17            both the American Revolution and the War of 1812.  
18            The star-shaped fort was constructed on the site of  
19            the original fortifications in the 1840s, with im-  
20            provements made from 1863 through 1872.

21            (3) The United States Armed Forces began ex-  
22            panding Fort Ontario in the early 20th century and  
23            by 1941, approximately 125 buildings stood at the  
24            fort.

1           (4) On June 9, 1944, President Franklin D.  
2           Roosevelt announced that Fort Ontario would serve  
3           as the Nation’s only Emergency Refugee Camp dur-  
4           ing World War II. From August of 1944 until Feb-  
5           ruary 1946, nearly 1,000 refugees were sheltered at  
6           Fort Ontario.

7           (5) Fort Ontario was conveyed from the Fed-  
8           eral Government to the State of New York in 1946;  
9           it was used to house World War II veterans and  
10          their families and then converted to a State historic  
11          site in 1953.

12          (6) A post cemetery containing the graves of 77  
13          officers, soldiers, women, and children who served at  
14          Fort Ontario in war and peace is situated on the  
15          grounds of the fort.

16          (7) In 1970, Fort Ontario was placed on the  
17          National Register of Historic Places.

18 **SEC. 3. FORT ONTARIO SPECIAL RESOURCE STUDY.**

19          (a) STUDY.—The Secretary of the Interior (referred  
20          to in this section as the “Secretary”) shall conduct a spe-  
21          cial resource study of Fort Ontario in Oswego, New York.

22          (b) CONTENTS.—In conducting the study under sub-  
23          section (a), the Secretary shall—

24                  (1) evaluate the national significance of the  
25          site;

1           (2) determine the suitability and feasibility of  
2           designating the site as a unit of the National Park  
3           System;

4           (3) consider other alternatives for preservation,  
5           protection, and interpretation of the lands by Fed-  
6           eral, State, or local governmental entities, or private  
7           and nonprofit organizations;

8           (4) consult with interested Federal, State, or  
9           local governmental entities, private and nonprofit or-  
10          ganizations or any other interested individuals;

11          (5) determine the effect of the designation of  
12          the site as a unit of the National Park System on  
13          existing commercial and recreational uses and the  
14          effect on State and local governments to manage  
15          those activities;

16          (6) identify any authorities, including con-  
17          demnation, that may compel or allow the Secretary  
18          to influence or participate in local land use decisions  
19          (such as zoning) or place restrictions on non-Federal  
20          land if the site is designated a unit of the National  
21          Park System; and

22          (7) identify cost estimates for any Federal ac-  
23          quisition, development, interpretation, operation, and  
24          maintenance associated with the alternatives.

1           (c) APPLICABLE LAW.—The study authorized under  
2 subsection (a) shall be conducted in accordance with sec-  
3 tion 100507 of title 54, United States Code.

4           (d) REPORT.—Not later than 3 years after the date  
5 on which funds are first made available for the study  
6 under subsection (a), the Secretary shall submit to the  
7 Committee on Natural Resources of the House of Rep-  
8 resentatives and the Committee on Energy and Natural  
9 Resources of the Senate a report that describes—

10                   (1) the findings of the study; and

11                   (2) any conclusions and recommendations of the  
12           Secretary.
