DIVISION K - DEPARTMENT OF STATE, FOREIGN OPERATIONS, AND RELATED PROGRAMS APPROPRIATIONS ACT, 2018

In implementing this agreement, Federal departments, agencies, commissions, and other entities are directed to comply with the directives, reporting requirements, and instructions contained in H. Rept. 115-253 (House report) accompanying H.R. 3362 (House bill) and S. Rept. 115-152 (Senate report) accompanying S. 1780 (Senate bill) as though stated in this explanatory statement, unless specifically directed to the contrary.

This explanatory statement, while repeating some House and Senate report language for emphasis or clarification, does not negate language in such reports unless expressly provided herein. Language expressing an opinion or making an observation in the House or Senate reports represents the view of the respective committee unless specifically endorsed in this explanatory statement. In cases in which the House and Senate reports provide contradictory directives or instructions that are not addressed in this explanatory statement, such directives or instructions are negated.

Reports required to be submitted pursuant to the Act, including reports required by this explanatory statement and the House and Senate reports, may not be consolidated to include responses to multiple requirements in a single report, except following consultation with the Committees on Appropriations.

In lieu of the tables contained in the House and Senate reports, the tables contained in this explanatory statement shall guide departments, agencies, commissions, and other entities when allocating funds.

Section 7019 requires that amounts designated in the respective tables referenced in this explanatory statement for funds appropriated in titles III through V shall be made available in such designated amounts, unless otherwise provided for in the Act, and shall be the basis of the report required by section 653(a) of the Foreign Assistance Act of 1961 (FAA) (the 653(a) report), where applicable. The section also includes limited authority to deviate from such specified amounts and continues language similar to prior years including exceptions to the application of the requirements of such section for amounts designated in tables included in this explanatory statement for International Military Education and Training and Global Health Programs, and funds for which the initial period of availability has expired.

Proposed deviations from tables in titles I and II in this explanatory statement are subject to the regular notification procedures of the Committees on Appropriations, unless an exception or deviation authority is specifically provided herein.

For the purposes of the Act, the term “regular notification procedures of the Committees on Appropriations” means such Committees are notified not less than 15 days in advance of the initial obligation of funds.

For purposes of the Act, the term “prior consultation” shall mean a pre-decisional engagement between a relevant Federal agency and the Committees on Appropriations during which such Committees are provided a meaningful opportunity to provide relevant facts and opinions to inform the use of funds; the development, content, or conduct of a program or activity; or a decision to be taken.

In meeting the requirements of section 7076(e) of the Act, the Department of State and the United States Agency for International Development (USAID) shall include in congressional budget justifications (CBJs) the justifications for multi-year availability for funds requested under Diplomatic and Consular Programs and Operating Expenses. The Department of State, USAID, and other agencies are also directed to include in CBJs the information included in the Introduction of the Senate report under Congressional Budget Request and Justifications, as applicable.

The Department of State, USAID, and other agencies funded by the Act are directed to notify the Committees on Appropriations of: (1) reprogrammings of funds, as required by sections 7015 and 7019 of the Act, at the most detailed level of the CBJ, the Act, or this explanatory statement; (2) significant departures in funding from the CBJ or the 653(a) report to be submitted 30 days after enactment of the Act; and (3) plans for restructuring the department or agency involving funding or staffing changes in accordance with section 7081 of the Act.

CBJ documents, and operating and spend plans, shall not suffice for purposes of satisfying special notification requirements contained in the Act.

As in prior fiscal years, additional funding designated as Overseas Contingency Operations/Global War on Terrorism (OCO/GWOT) pursuant to the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) is contained in title VIII of the Act. Such funds are intended to address the extraordinary costs of operations and assistance in countries in conflict and areas of instability and violence, particularly in the Middle East, South Asia, and

Africa; security, stabilization, and peacekeeping programs; humanitarian activities; and counterterrorism and counterinsurgency efforts.

For purposes of the Act, the term “extremist organization” means the Islamic State of Iraq and Syria (ISIS); organizations affiliated with ISIS; a foreign organization that is determined to be engaged in terrorist activity, as defined in section 212(a)(3)(B) of the Immigration and Nationality Act (8 U.S.C. 1182); and other entities designated as foreign terrorist organizations pursuant to section 219 of such Act. The term “extremist” means an individual affiliated with an extremist organization. Limited Competition.—The USAID Administrator shall submit the report required under this heading in the House report regarding limited competition not later than 45 days after the enactment of the Act.

Regional Development Mission for Asia.—The agreement provides \$16,500,000 for the operating expenses of the Regional Development Mission for Asia (RDMA), including salaries and benefits and other direct costs, which is consistent with prior fiscal year levels. The March 8, 2018 USAID OIG report entitled “USAID’s Redesign Efforts Have Shifted Over Time” (Audit Report 9-000-18-003-P) raises questions about USAID’s compliance with notification and reporting requirements mandated by law, and decision making processes regarding RDMA’s Mission Management Assessment and the proposed closure of the Mission. The USAID Administrator is directed to review USAID actions regarding RDMA from November 2016 to the present, inform the appropriate congressional

committees of specific findings and recommendations, and provide supporting documents. The review should include consultation with Department of State personnel at Embassy Bangkok.
