3 **SECTION 1. FINDINGS.**

4 Congress finds the following:

5 (1) Sergeant John Toombs of Murfreesboro,
6 Tennessee, served in the Tennessee Army National

1 Guard as a part of the highly distinguished 230th
2 Signal Corps.

3 (2) His six years in the National Guard in-
4 cluded a deployment to Afghanistan, where Sergeant
5 Toombs proudly served as a guard and escort for
6 visiting dignitaries and reporters traveling into high-
7 ly dangerous, war ravaged areas in Afghanistan.

8 (3) As a result of his service in Afghanistan,
9 Sergeant Toombs developed symptoms of
10 Posttraumatic Stress Disorder (PTSD), a disability
11 he continued to suffer from after leaving the Na-
12 tional Guard in 2014.

13 (4) After two years of battling PTSD and fail-
14 ing to receive the necessary treatment, Sgt. Toombs
15 tragically took his own life in November of 2016.

16 (5) However, the life of Sergeant Toombs has
17 impacted other veterans in Tennessee suffering from
18 PTSD. Since this devastating tragedy, positive
19 measures have been made to raise awareness and
20 improve the overall treatment of veterans suffering
21 from PTSD within the Tennessee Valley Healthcare
