REPORT

[To accompany H. Res. __]

The Committee on Rules, having had under consideration House Resolution ____, by a record vote of 8 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H. Res. 965, authorizing remote voting by proxy in the House of Representatives and providing for official remote committee proceedings during a public health emergency due to a novel coronavirus, and for other purposes under a closed rule. The resolution provides that upon adoption of this resolution it shall be in order without intervention of any point of order to consider H. Res. 965. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Rules. The resolution provides that H. Res. 965 shall be considered as read. The resolution provides for consideration of H.R. 6800, the Health and Economic Recovery Omnibus Emergency Solutions Act, under a closed rule. The resolution provides that upon adoption of this resolution it shall be in

order to consider H.R. 6800 without intervention of any question of consideration. The resolution provides two hours of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment printed in this report shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides that clause 2(e) of rule XXI shall not apply during consideration of the bill. The resolution provides one motion to recommit with or without instructions. The resolution provides that until completion of proceedings enabled by the first two sections of the resolution, (a) the Chair may decline to entertain any intervening motion (except as expressly provided herein), resolution, question, or notice; and (b) the Chair may decline to entertain the question of consideration. Section 4 of the resolution provides that on any legislative day during the period from May 19, 2020, through July 21, 2020: the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment. The resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 4 of the resolution. The resolution provides that each day during the periods addressed by section 4 shall not constitute a calendar day for the purposes of section 7 of the War Powers Resolution (50 U.S.C. 1546). The resolution provides that each day during the period addressed by section 4 of the resolution shall not constitute a legislative day for purposes of clause 7 of rule XIII (resolutions of inquiry). The resolution provides that each day during the period addressed by section 4 of the resolution shall not constitute a calendar or legislative day for the purposes of clause 7(c)(1) of rule XXII (motions to instruct conferees). The resolution provides that each day during the period addressed by section 4 shall not constitute a legislative day for the purposes of clause 7 of rule XV (Consensus Calendar). The resolution provides for consideration of concurrent resolutions providing for adjournment during the month of July, 2020. The resolution provides that it shall be in order at any time through the calendar day of July 19, 2020, for the Speaker to entertain motions that the House suspend the rules as though under clause 1 of rule XV, and that the Speaker or her designee shall consult with the Minority Leader or his designee on the designation of any matter for consideration pursuant to this section. The resolution waives the requirement of clause 6(a) of rule XIII for a two-thirds vote to consider a report from the Committee on Rules on the same day it is presented to the House with respect to any resolution reported through the legislative day of July 21, 2020.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H. Res. 965 includes a waiver of clause 4 of rule XIII, which prohibits the consideration of a measure or matter reported by a committee until the proposed text of the report has been available for 72 hours.

Although the resolution waives all points of order against provisions in H. Res. 965, the Committee is not aware of any points of order. The waiver is

prophylactic in nature.

The waiver of all points of order against consideration of H.R. 6800 includes a waiver of clause 12(a)(1) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the bill proposes to change current law.

Although the resolution waives all points of order against provisions in H.R. 6800, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Section 10 of the resolution includes a waiver of all points of order against consideration of a July adjournment resolution. While adjournment resolutions are ordinarily privileged, a point of order could be raised against a July adjournment resolution for failure to comply with section 309 of the Congressional Budget Act. Section 309 prohibits the House from adjourning for more than three days in July unless the House has completed action on all appropriations bills. Since the House has not yet completed all action on appropriations bills, this provision is necessary.
