

John N. Dabbs

Managing Director

John Dabbs is a Managing Director of Credit Suisse in the Global Market division, based in New York. He is the Global Head of Prime Derivatives Services (PDS), which includes listed derivatives and cleared swaps.

John joined Credit Suisse in 2009 and has over 10 years of experience in the PDS business, including senior roles in London and Hong Kong, and has most recently held the position of US Head of PDS. Additionally, John has served as a key subject matter expert on numerous regulatory issues and has leveraged his strong client, regulator and clearinghouse relationships to build the top ranked Interest Rate Swap and Credit Default Swap clearing business in the US. John also serves on the Board of both ISDA and FIA.

Prior to his current role, John was based in London as the European Head of Listed Derivatives. Before joining Credit Suisse, he was the Asia Head of Listed Derivatives for both Lehman Brothers and Nomura.

John earned a BA in Economics from the University of Michigan.
