4 (a) IN GENERAL.—The Commodity Futures Trading
5 Commission shall examine, in collaboration with other
6 Federal regulatory agencies as the Commission determines
7 appropriate, the energy consumption and sources of en-
8 ergy used in connection with the creation and transfer of
9 the most widely traded digital commodities.

10 (b) REPORT.—Not later than 180 days after the date
11 of the enactment of this Act, the Commission shall submit
12 to the Committee on Agriculture, Nutrition, and Forestry
13 of the Senate and the Committee on Agriculture of the
14 House of Representatives a report describing—

15 (1) an estimate of the energy consumption and
16 sources of energy used in connection with the cre-
17 ation and transfer of the most widely traded digital
18 commodities; and

1 (2) the methodology used by the Commission to
2 generate the estimate.

3 (e) PUBLICATION.—Using the methodology described
4 in subsection (b)(2), the Commission shall publish on the
5 website of the Commission, and periodically update on a
6 timely basis, an estimate of the energy consumption and
7 sources of energy used in connection with the creation and
8 transfer of the most widely traded digital commodities.
