

Dana Brennan*Vice President, Corporate Affairs**Grimmway Farms*

As the VP of Corporate Affairs, Dana oversees stakeholder engagement, corporate communications, manages sustainability related reporting initiatives, and builds and directs company policies and objectives related to local, state, and federal stakeholders. She leads the development and implementation of Grimmway's corporate political strategies, maintains companywide philanthropy programs, and oversees the company's corporate social responsibility initiatives. She also serves as a strategic advisor to the executive team and acts as the official spokesperson for Grimmway's global operations. Previously serving as the Chief of Staff for California's 16th State Senate District, Brennan brings extensive knowledge of political processes and almost seventeen years' worth of experience cultivating partnerships across community, government and business sectors. She was born and raised in Bakersfield and holds a bachelor's degree in history from Eastern University in St. Davids, PA.
