

**Amendment offered by Mr. Wied of Wisconsin**

**Amendment description**

This amendment would include low added sugar yogurt to the Dairy Nutrition Incentives Programs.

**AMENDMENT**

**OFFERED BY MR. WIED OF WISCONSIN**

Page 224, strike lines 4 through 11 and insert the following:

1           “(1) COVERED DAIRY PRODUCTS.—The term  
2           ‘covered dairy products’ means—  
3           “(A) cheese (including non-standardized  
4           cheese) that is—  
5           “(i) made from pasteurized cow’s  
6           milk;  
7           “(ii) a good source of protein, as de-  
8           termined by the Secretary; and  
9           “(iii) sold as a block, chunk, shred,  
10          slice, stick, string or in snack-size form;  
11          and  
12          “(B) yogurt (or other cultured dairy prod-  
13          uct) that—  
14          “(i) is made from pasteurized cow’s  
15          milk;  
16          “(ii) is a good source of protein, as  
17          determined by the Secretary; and

1                   “(iii) contains limited amounts of  
2                   added sugars.”.
