

Amendment offered by Rep. Jim Costa

Amendment description

Modifies the Emergency and Imminent Community Water Assistance Grant Program to expand the definition of “water” to include drinking water, wastewater, stormwater drainage, and solid waste facilities. Increases eligible population from 10,000 to 35,000 inhabitants.

AMENDMENT

OFFERED BY MR. COSTA OF CALIFORNIA

In section 6405, insert after the section heading the following:

1 (a) INCREASE IN ELIGIBLE POPULATION; USE OF
2 FUNDS FOR WATER RESOURCES INFRASTRUCTURE.—
3 Section 306A of the Consolidated Farm and Rural Devel-
4 opment Act (7 U.S.C. 1926a) is amended—

5 (1) in subsection (d)(1), by redesignating sub-
6 paragraphs (C) and (D) as subparagraphs (D) and
7 (E), respectively, and inserting after subparagraph
8 (B) the following:

9 “(C) for associated uses related to water
10 resources infrastructure, including facilities for
11 potable water, wastewater, storm drainage, or
12 solid waste;” and

13 (2) in subsection (e), by striking “10,000” and
14 inserting “35,000”.

In section 6405, strike “(a) IN GENERAL.—” and
insert “(b) EXTENSION OF PROGRAM.—”.
