

Amendment offered by Ms. McClain Delaney

Brief description

This amendment strengthens the Grants for Community College Agriculture and Natural Resources Programs by explicitly prioritizing agricultural conservation and work-based learning opportunities, tailoring these initiatives to organizations that hire graduates in these fields.

AMENDMENT
OFFERED BY MRS. MCCLAIN DELANEY OF
MARYLAND

Page 412, line 14, insert “or conservation district” after “local agriculture industry operator”.

Page 412, line 23, strike “and finance” and insert “finance, and soil, water, and related resource conservation”.
