

**Committee on Agriculture
U.S. House of Representatives
Information Required From Nongovernmental Witnesses**

House rules require nongovernmental witnesses to provide their resume or biographical sketch prior to testifying. If you do not have a resume or biographical sketch available, please complete this form.

1. Name: Dr. Renée Boynton-Jarrett

2. Organization you represent:

Boston Medical Center

3. Please list any occupational, employment, or work-related experience you have which add to your qualification to provide testimony before the Committee:

I worked as a pediatrician in several urban environments in the US and with predominantly lower income families. I completed my medical training at Yale New Haven Hospital in New Haven, CT, my pediatrics residency at Johns Hopkins Hospital in Baltimore MD, and have worked in Boston MA at Boston Medical Center and in Essex County New Jersey

4. Please list any special training, education, or professional experience you have which add to your qualifications to provide testimony before the Committee:

I am trained as a pediatrician and have been in practice serving lower income families and communities of color for over 15 years. I am trained as a public health researcher with an expertise in childhood trauma and stress and its impact on health, education and wellbeing. I have a doctorate of Science in social epidemiology so I have studied structural and social adversities, such as racism and it's impact on health. I have done extensive work to develop community partnerships to promote the capacity for neighborhoods to promote wellness for children.

5. If you are appearing on behalf of an organization, please list the capacity in which you are representing that organization, including any offices or elected positions you hold:

I am a pediatrician at Boston Medical Center and an Associate Professor of Pediatrics and Director of Vital Village Networks at Boston Medical Center

PLEASE ATTACH THIS FORM OR YOUR BIOGRAPHY TO EACH COPY OF TESTIMONY.
