EXPERIENCE

MANAGER, FOOD AND NUTRITION SERVICES

American Public Human Services Association (APHSA) | Arlington, VA

May 2024 - Present

- Lead APHSA's nutrition policy portfolio, representing state human service agency executives and program administrators across all 50 states; set strategic direction and advance policy priorities on SNAP, Quality Control, Summer EBT, and SNAP-Ed, Outreach, and Employment & Training.
- Direct APHSA's responses to federal rulemaking and legislation – including Farm Bill and Budget Reconciliation proposals – by producing policy analysis, mobilizing state agencies, and briefing Congress, USDA FNS, and national partners.
- Organize and deliver educational briefings for Congressional staff and committees, and regularly present at national conferences, summits, and webinars to elevate state implementation perspectives.
- Lead APHSA's support for 5 national membership groups (SNAP Directors, Quality Control, SNAP-Ed & Outreach, Summer EBT, SNAP E&T), facilitating peer exchange and policy input from 300+ state leaders nationwide.
- Direct a \$2M+ portfolio of 8+ grants and contracts related to nutrition and economic mobility programs, managing budgets, deliverables, funder relationships, and project teams.
- Supervise and coach staff and external consultants, strengthening team capacity and leadership development while delivering to APHSA members in state agencies.
- Spearhead content development for APHSA's annual Economic Mobility & Well-Being Conference and lead organization of other major events, integrating state agency leaders and people with lived experience into national policy conversations.
- Build and sustain trusted, bipartisan relationships with FNS officials, Congressional offices, national organizations, and philanthropy to amplify state agency perspectives in federal policymaking.
