

**AMENDMENT TO AGRICULTURE AND RURAL
DEVELOPMENT APPROPRIATIONS BILL
OFFERED BY MR. NUNNELEE OF MISSISSIPPI**

In the Committee report, before “Buildings and Facilities” on page 63, insert the following:

*“Calorie Display in Vending Machines.—*The Committee is also concerned with FDA’s proposed rule to regulate Food Labeling and Calorie Labeling of Articles of Food in Vending Machines. To meet the requirements of the law, FDA should accept a clear, visible display of calories on the front of the package of articles of food sold from a vending machine or on the front of the vending machine as meeting such requirements.”
