

AMENDMENT TO LEGISLATIVE BRANCH
APPROPRIATIONS BILL
OFFERED BY MS. WASSERMAN SCHULTZ OF
FLORIDA

At the appropriate place in the Committee Report under the heading “Office of the Chief Administrative Officer”, insert the following:

The Committee directs the Chief Administrative Officer to establish a House Technology Task Force, modeled on the successful Bulk Data Task Force established at the Committee’s direction by the Clerk of the House in 2012. The Task Force shall be comprised of senior staff representatives of the House officers and such other offices and entities as may be necessary. The Task Force is directed to identify and report to the Committee opportunities to enhance coordination of information technology efforts in the House, including, but not limited to, IT architecture and life cycle investment strategies, end-user training, network security, and recommendations for shared services that may improve IT effectiveness at a lower overall cost to the House.
