

INT FY25
AMENDMENT #1
ADOPTED VU

Rep. Simpson
FY25 – Interior
Manager’s Amendment

Interior – Manager’s Amendment

In the report:

On page 39 of the report, in the eighth line of the paragraph titled “Water Availability and Use Science”, after “western states” insert “and provides \$3,500,000, equal to the fiscal year 2024 enacted level, for OpenET”.

On page 79 of the report, after the paragraph titled “Class 8 Trucks”, insert the following new paragraph:

Small and Rural Water Systems.—The Committee is aware of water infrastructure needs within small and rural communities and directs the Agency to work with States to encourage prioritizing Federal funding in rural areas and for small water systems.

On page 79 of the report, after the paragraph titled “Use of Iron and Steel”, insert the following new paragraph:

Water Infrastructure Projects.— The Committee notes that the Agency is authorized to provide funding for architectural, engineering, planning, design, construction, and related activities in connection with the construction of high priority water and wastewater facilities in the area of the United States-Mexico Border, and that projects related to water supply like desalination plants, irrigation lining, stormwater draining, and other water availability projects are authorized to be funded by this program should they be determined as high priority.

On page 101 of the report, after the paragraph titled “Museum Security”, insert the following new paragraph:

New Museums.—The Committee supports the intent of Congress that the Smithsonian American Women’s History Museum and the National Museum of the American Latino be located on or near the National Mall, to the extent practicable.

31-23

**Rep. Simpson
FY25 – Interior
Republican en bloc**

Interior - Republican en bloc

In the bill:

On page 41, line 17, strike “\$113,292,000” and insert “\$102,292,000”.

On page 85, line 22, strike “finalize ,”.

On page 85, line 23, strike “proposed” and insert “final”.

On page 86, line 1, strike “September 8, 2023 (88 Fed. Reg 62025)” and insert “May 7, 2024 (89 Fed. Reg. 38712)”.

On page 86, after line 15, insert the following:

GREATER YELLOWSTONE ECOSYSTEM GRIZZLY BEAR

Sec. 157. (a) Not later than 180 days after the date of enactment of this Act, the Secretary of the Interior shall reissue the final rule entitled “Endangered and Threatened Wildlife and Plants; Removing the Greater Yellowstone Ecosystem Population of Grizzly Bears From the Federal List of Endangered and Threatened Wildlife” (82 Fed. Reg. 30502 (June 30, 2017)), without regard to any other provision of law that applies to the issuance of that final rule.

(b) The reissuance of the final rule described in subsection (a) (including this section) shall not be subject to judicial review.

WILDERNESS AREA

Sec. 158. None of the funds made available by this Act may be used by the National Park Service to designate or manage Big Cypress National Preserve as wilderness or as a component of the National Wilderness Preservation System.

DECOMMISSIONING ACCOUNT

Sec. 159. The matter under the amended heading “Royalty and Offshore Minerals Management” for the Minerals Management Service in Public Law 101–512 (104 Stat. 1926, as amended) (43 U.S.C. 1338a), as amended by section 123 of title I of division E of (Public Law 118-42), is further amended by striking the fifth through eighth provisos in their entirety and inserting the following: “*Provided further*, That notwithstanding section 3302 of title 31, United States Code, any moneys hereafter received as a result of the forfeiture of a bond or other security by an Outer Continental Shelf permittee, lessee, or right-of-way holder that does not fulfill the requirements of its permit, lease, or right-of-way or does not comply with the regulations of the Secretary, or as a bankruptcy distribution or settlement associated with such failure or noncompliance, shall be credited to a separate account established in the Treasury for decommissioning activities and shall be available to the Bureau of Ocean Energy Management without further appropriation or fiscal year limitation to cover the cost to the United States or any entity conducting any improvement, protection, rehabilitation, or decommissioning work rendered necessary by the action or inaction that led to the forfeiture or bankruptcy distribution or settlement, to remain available until expended: *Provided further*, That amounts deposited into the decommissioning account may be allocated to the Bureau of Safety and Environmental Enforcement for such costs: *Provided further*, That any moneys received for such costs currently held in the Ocean Energy Management account shall be transferred to the decommissioning account: *Provided further*, That only such portion of the moneys so credited that are in excess of the amount expended in performing the work necessitated by the action or inaction which led to their receipt or, if the bond or security was forfeited for failure to pay the civil penalty, in excess of the civil penalty imposed shall be returned to the bankruptcy estate, permittee, lessee, or right-of-way holder.”.

On page 91, line 21, strike “\$3,670,203,000” and insert “\$3,680,203,000”.

On page 98, line 12, strike “\$35,000,000” and insert “\$45,000,000”.

On page 214, line 15, strike “finalize ,”.

On page 214, line 16, strike “proposed” and insert “final”.

On page 214, line 20-21, strike “March 29, 2023 (88 Fed. Reg. 18824)” and insert “May 9, 2024 (89 Fed. Reg. 40198)”.

At the end of the bill, before the Spending Reduction Account, insert the following:

LIMITATION

Sec. 491. None of the funds made available by this Act may be used to implement, administer, or enforce the final rule titled “National Emission Standards for Hazardous Air Pollutants: Coal- and Oil-Fired Electric Utility Steam Generating Units Review of the Residual Risk and Technology Review” published by the Environmental Protection Agency in the Federal Register on May 7, 2024 (89 Fed. Reg. 38508).

STATE PERMIT PROGRAM

Sec. 492. The notice of the Environmental Protection Agency approving the State of Florida's request to carry out a permit program for the discharge of dredged or fill material pursuant to section 404 of the Federal Water Pollution Control Act (33 U.S.C. 1344), published on December 22, 2020, and titled “EPA's Approval of Florida's Clean Water Act Section 404 Assumption Request” (85 Fed. Reg. 83553) shall have the force and effect of law.

IRIS

Sec. 493. None of the funds made available by this Act may be used to develop, finalize, issue, or use assessments under the Integrated Risk Information System (IRIS).

UPPER COLUMBIA RIVER

Sec. 494. None of the funds made available by this Act or any other Act may be used to finalize, implement, or administer the addition of the Upper Columbia River, Washington site under the General Superfund Section of the proposed rule entitled “National Priorities List” and published by the Environmental Protection Agency on March 7, 2024 (89 Fed. Reg. 16502).

In the report:

On page 14 of the report, after the paragraph titled “Public Availability of Data—Permits to Drill”, insert the following new paragraph:

Review of Rulemakings.—Not later than 180 days following the enactment of this Act, the Committee directs the Government Accountability Office (GAO) to complete a review of rulemakings promulgated by federal agencies that receive appropriations in this Act, which were upheld by a final judgment in federal court as of June 28, 2024, relying in whole or part on the decision in *Chevron, U.S.A., Inc. v. Natural Resources Defense Council, Inc.*, 467 U.S. 837 (1984). The review should include a list of all such rulemakings upheld, including which of those rulemakings were major rules under the Congressional Review Act (5 U.S.C. 804).

On page 19 of the report, after the paragraph titled “Red River Land Survey”, insert the following new paragraph:

Resource Management Plans.—As the Bureau works to update resource management plans that are over ten years old, including for the State of Nevada, the Committee directs the Bureau to conduct robust engagement with State, local, and Tribal governments, and work to develop plans that adequately address the needs of impacted communities and provide opportunities for housing and economic growth.

On page 27 of the report, after the sentence ending with “white-nose syndrome.”, insert the following new sentence:

Within the funding provided, the Committee supports ongoing efforts to restore and conserve rivercane in the Southeastern United States, in partnership with local indigenous communities and universities.

On page 54 of the report, strike “113,292,000” in the two places it appears and replace with “102,292,000”. Make changes to the comparison amounts accordingly.

On page 63 of the report, in the first line of the paragraph that begins with “Section 154”, strike “finalize the proposed” and insert “implement the final”.

On page 63 of the report, after the paragraph that begins with “Section 156” insert the following new paragraphs:

Section 157 requires the Secretary of the Interior to reissue the final rule titled “Endangered and Threatened Wildlife and Plants; Removing the Greater Yellowstone Ecosystem Population of Grizzly Bears From the Federal List of Endangered and Threatened Wildlife”.

Section 158 prohibits funds for the National Park Service to designate or manage Big Cypress National Preserve as wilderness.

Section 159 updates enacted offshore decommissioning language to ensure funding is provided for these activities.

On page 67 of the report, in the seventh line of the paragraph titled “IRIS Program Integrity”, strike “an assessment for inorganic arsenic” and insert “assessments for inorganic arsenic and formaldehyde”.

On page 77 of the report, strike “3,670,203,000” in the two places it appears and replace with “3,680,203,000”. Make changes to the comparison amounts accordingly.

On page 111 of the report, in the first line of the paragraph that begins with “Section 468”, strike “proposed” and insert “final”.

On page 113 of the report, after the paragraph that begins with “Section 490”, insert the following new paragraphs:

Section 491 prohibits funds for the final rule titled “National Emission Standards for Hazardous Air Pollutants: Coal- and Oil-Fired Electric Utility Steam Generating Units Review of the Residual Risk and Technology Review”.

Section 492 codifies the State of Florida’s Clean Water Act section 404 program.

Section 493 prohibits funds to develop, finalize, issue, or use assessments under the Integrated Risk Information System (IRIS).

Section 494 prohibits funds to finalize the Upper Columbia River, Washington site under the General Superfund Section of the proposed rule entitled “National Priorities List”.

On page 135 of the report, in the first line of the paragraph that begins with “Section 154”, strike “finalize the proposed” and insert “implement the final”.

On page 135 of the report, after the paragraph that begins with “Section 156” insert the following new paragraphs:

Section 157 requires the Secretary of the Interior to reissue the final rule titled “Endangered and Threatened Wildlife and Plants; Removing the Greater Yellowstone Ecosystem Population of Grizzly Bears From the Federal List of Endangered and Threatened Wildlife”.

Section 158 prohibits funds for the National Park Service to designate or manage Big Cypress National Preserve as wilderness.

Section 159 updates enacted offshore decommissioning language to ensure funding is provided for these activities.

On page 146 of the report, in the first line of the paragraph that begins with “Section 468”, strike “proposed” and insert “final”.

On page 147 of the report, after the paragraph that begins with “Section 490”, insert the following new paragraphs:

Section 491 prohibits funds for the final rule titled “National Emission Standards for Hazardous Air Pollutants: Coal- and Oil-Fired Electric Utility Steam Generating Units Review of the Residual Risk and Technology Review”.

Section 492 codifies the State of Florida’s Clean Water Act section 404 program.

Section 493 prohibits funds to develop, finalize, issue, or use assessments under the Integrated Risk Information System (IRIS).

Section 494 prohibits funds to finalize the Upper Columbia River, Washington site under the General Superfund Section of the proposed rule entitled “National Priorities List”.

ADOPTED VV

AMENDMENT TO INTERIOR AND ENVIRONMENT APPROPRIATIONS BILL

At the end of the bill (before the short title), insert the following:

SEC. __. None of the funds made available by this Act may be used to—

(1) finalize, implement, administer, or enforce the environmental impact statement entitled “EIS No. 20240110, Draft, USFS, NAT, Land Management Plan Direction for Old-Growth Forest Conditions Across the National Forest System” published by the Environmental Protection Agency in the Federal Register on June 21, 2024 (89 Fed. Reg. 52039) or any substantially similar environmental impact statement; or

(2) carry out any proposed action included in such environmental impact statement (or notice relating to such environmental impact statement) or any substantially similar action.

SEC. __. None of the funds made available by this Act may be used to implement, administer, or enforce the final rule entitled “Reconsideration of the National Ambient Air Quality Standards for Particulate Matter” and published by the Environmental Protection Agency in the Federal Register on March 6, 2024 (89 Fed. Reg. 16202).
