REPORT ON THE INTERIM SUBALLOCATION OF BUDGET ALLOCATIONS FOR FISCAL YEAR 2027

JUNE XX, 2026.—Committed to the Committee of the Whole House on the State of
the Union and ordered to be printed

Mr. COLE of Oklahoma, from the Committee on Appropriations,
submitted the following

R E P O R T

INTERIM SUBALLOCATION OF BUDGET ALLOCATIONS FOR FISCAL YEAR 2027

The Committee on Appropriations submits the following report on the interim suballocation of the budget for fiscal year 2027. This report is submitted pursuant to the Congressional Budget Act of 1974 and related requirements under the Rules of the House. Discretionary outlays, mandatory budget authority and outlays, and adjustments to discretionary spending limits will be incorporated into revised allocations after scoring becomes available.

The Committee has adopted this interim procedure because of the special circumstances it faces as it begins the fiscal year 2027 appropriations process. To date, Congress has not yet adopted a budget resolution for fiscal year 2027, and the Committee does not have an enforceable discretionary top line for fiscal year 2027. Additionally, the President's Fiscal Year 2027 Budget submission was delayed, and as a result an updated baseline from the Congressional Budget Office (CBO) is not yet available to the Committee. After an updated CBO baseline is available, the Committee will adopt a final set of 302(b) suballocations for all twelve subcommittees as expeditiously as possible.

By submitting this interim report and beginning its work on appropriations bills at this time, the Committee will be in the best possible position to report all fiscal year 2027 appropriations bills to the floor of the House of Representatives under regular order.
