

Bedir M. Memmedli is a co-founder and board member of a community based grassroots organization called US Azeris Network (USAN). He has graduated from North Carolina State University in 1992 with BS in Business Management. After working several years in retail management, he returned to the same university to pursue his Master's in Accounting. He graduated in 2001 and began to work as an auditor for the Office of the State Auditor of North Carolina. In 2004, due to a new job offer, Bedir relocated to Washington DC area where he continues working as a senior level accountant. In addition, Bedir is a Certified Public Accountant and Certified Government Financial Manager. He is married and has two children, boy and girl.
