Subcommittee on State, Foreign Operations, and Related Programs

Witness Disclosure Form

Clause 2(g) of rule XI of the Rules of the House of Representatives requires non-governmental witnesses to disclose to the Committee the following information, in addition to a C.V., as part of the written statement of prepared testimony submitted in advance of their appearance. A non-governmental witness is any witness appearing on behalf of himself/herself or on behalf of an organization other than a federal agency, or a state, local or tribal government.

Your Name, Title, Organization, Business Address, and Telephone Number:

William Millan
Senior Policy Advisor for International Conservation
The Nature Conservancy

1. Are you appearing on behalf of yourself or a non-governmental organization? Please list organization(s) you are representing.

Testifying on behalf of The Nature Conservancy

2. Have you or any organization you are representing received any Federal grants or contracts (including any subgrants or subcontracts) since October 1, 2010?

Yes No

Yes. TNC received approximately \$75 million last year from a wide variety of federal agencies, of which about \$10 million in a typical year comes from USAID. See below.

3. Have you or any organization you are representing received contracts or payments originating with a foreign government since October 1, 2012, related to agencies or programs funded by the subcommittee.

Yes No

YES. TNC did receive a grant from the European Union to do conservation of nature in Peru, but that grant was not connected to any work paid for by USAID. TNC has received other foreign grants, a complete list is attached separately.

4. If your response to question #2 or # 3 is "Yes", please list the amount and source (by agency and program) of each grant or contract, and indicate whether the recipient of such grant or contract was you or the organization(s) you are representing.

The Nature Conservancy is a large non-profit organization which works with virtually every US Government agency. The most recent A-133 report (forwarded separately) lays out all such grants and contracts to the Nature Conservancy for the most recent year and additionally shows foreign grants.
