
Kelly Moore, MD

Dr. Kelly Moore, a member of the Muscogee (Creek) Nation of Oklahoma, is an Associate Professor at the Colorado School of Public Health of the University of Colorado Denver with the Centers of American Indian and Alaska Native Health.

Dr. Moore is a retired Captain in the United States Public Health Service Commissioned Corps with 20 years of service to the Indian Health Service (IHS). Her last 10 years with the IHS were devoted to diabetes surveillance and quality of care for American Indians and Alaska Natives, as a Clinical Specialty Consultant for the national IHS diabetes program in Albuquerque from 2002 - 2007 and as an Area Diabetes Consultant for Billings Area IHS in Montana from 1997 - 2002. She is a former member of the American Diabetes Association Awaken the Spirit Team and a former Chair of the American Indian/Alaska Native Work Group of the National Diabetes Education Program.

Dr. Moore served as the Chair of the American Academy of Pediatrics Committee on Native American Child Health (2006 – 2012) and is a Fellow of the American Academy of Pediatrics. She is a graduate of the University of Oklahoma College of Medicine and completed a pediatrics residency at the University of Oklahoma Tulsa Medical College. She also completed post-graduate training in the Native Investigator Program of the Centers of American Indian and Alaska Native Health at the University of Colorado Denver in 2006. Her research interests include urban Indian health, childhood obesity, and youth-onset type 2 diabetes.

Dr. Moore has been married to Jon Wilson for more than 30 years. They have two grown children, Matthew and Tava, and a 3-year-old grandson Dante.
