

Virgil A. Siow Biography

Governor Virgil Siow is currently serving his second term as Governor for the Pueblo of Laguna. He began this official capacity in January 2015. In years prior, Governor Siow has served in various leadership capacities for the Pueblo of Laguna as a Staff Officer and Council Representative.

Prior to his election as Governor, he served as Manager for the Emergency Preparedness & Safety Compliance Program for the Pueblo of Laguna and the Manager of Compliance for the Laguna Development Corporation.

Governor Siow holds an AA degree in Business from the University of Phoenix and has completed specialized course work in computer technology, automotive technology and welding. He seeks to preserve the Laguna language which is currently at-risk of loss and wants to identify technology and other approaches to language preservation, as well as finding the financial resources to put these approaches into use in the Laguna community.
