

George W. Thompson

George W. Thompson is an enrolled member of the Lac du Flambeau Band of Lake Superior Chippewa Indians. He is currently serving his first term on Tribal Council where he has dedicated his time towards the economic expansion and stability of the Tribe, Constitutional reform and government process. Since 2000, George has served as the program director of the Tribal/BIA Roads Department, where he has been involved in the tribal and federal processes, including business and entrepreneurship programs. Since joining the Tribal/BIA Roads Department, he has created and managed additional departments that serve the community such as Construction, Auto Repair, and Parks and Recreation.

In addition to his Council duties, George is also engaged in various volunteer activities through the community. He strongly supports native rights and has involved himself in historical research activities.

- 13 years on the local Fire/E.M.S. and Rescue with various trainings in hazmat and incident command response and retiring with the rank of lieutenant.
- 2 years as the Vice Chairman of the Tribal Police Commission.
- 3 years as a board member for NIIJII lending and Economic Development.
- Currently serving his 3rd year with the Wisconsin Department of Transportation (Intertribal Taskforce) created under the Doyle administration to strengthen state and tribal communications for roads maintenance and construction.
- Serving his first term as the Vice Chairman of the Vilas County Concerns Committee.

Born and raised in Lac du Flambeau, Wisconsin, George and his wife are raising their five children.
