### **Chief Executive Officer, Michigan Works! Association**

Luann Dunsford wants to live in a world where all businesses have the greatest employees. Where every person has a meaningful and fulfilling career. And where we're all moving forward with shared purpose to grow a vibrant, dynamic economy.

And for those of us who share that vision, here's the best news: Luann's not just a dreamer. She's a doer.

As CEO of the Michigan Works! Association, Luann supports her members and partners all over the state delivering high-impact events and training, making valuable connections and providing top-notch leadership resources.

She is a networking dynamo whose 25+ years of relationships, skills and leadership insight—coupled with profound energy and determination—make her a valuable leader and partner.

When she's not in command of Association management, you can find her at her alma mater's volleyball games (Go Green, Go White!), volunteering in her community and running.
