

**Mr. Paul D. Cramer will PTDO Assistant Secretary of Defense for Sustainment (OUSD(A&S))**

In September 2020, Mr. Cramer was selected as the Principal Deputy of the Assistant Secretary of Defense for Sustainment (Installations). He serves as the principle advisor to the Assistant Secretary of Defense for Sustainment. In June 2013, Mr. Cramer was chosen for the Senior Executive Service. He served as the main advisor to the Assistant Secretary of the Army (Installations, Energy, and Environment) within the Army Secretariat responsible for the Army's worldwide installations and housing structure. He provided policy and program direction for all Active Army and Reserve Component facilities. He oversaw the execution of key Army engineering; housing; privatization initiatives; military construction; real property acquisition, management, and disposal; and base realignment and closures.
