

Dominick A. Fiorentino is an Analyst in Government Organization and Management in the Government and Finance Division of the Congressional Research Service (CRS). He principally covers the executive budget process; federal procurement; financial and budgetary reporting; federal financial management; and federal information technology investment, budgeting, and management. Dominick joined CRS in 2021. Previously he worked as a Technology Risk manager at EY (previously Ernst & Young) where he worked on financial statement audits of federal agencies.

Dominick received his Bachelor of Science from Georgetown University and his Master of Science in Public Policy and Management from Carnegie Mellon University.
