**Congresswoman Jasmine Crockett  
Texas' 30th Congressional District**

---

Congresswoman Jasmine Crockett of Texas' 30<sup>th</sup> District has purposefully made every decision with one goal in mind: protecting the civil liberties of those in underrepresented communities. As a public defender, civil rights attorney, State Representative, and now United States Congresswoman, Crockett dedicates her life to public service, with the goal of serving justice and ensuring equality for all.

Her passion for justice and the protection of peoples' rights led her to pursue a career as a public defender, and civil rights and criminal defense attorney. She focused on defending our most vulnerable among us from exploitation in the criminal justice system. As she began her career in the Bowie County Public Defender's Office, Congresswoman Crockett worked tirelessly to keep children safe and out of jail. Her time there serves as a reminder that criminal justice is an intersectional issue.

Congresswoman Crockett earned her B.A. in Business Administration from Rhodes College and her J.D. from the University of Houston, and is a proud member of Delta Sigma Theta Sorority, Incorporated.

As a Congresswoman for all Texans, she's continuing our fight and ushering in the next generation of servant leadership in the halls of Congress and Washington, D.C.

As a member of the Oversight and Accountability Committee and Agriculture Committee, her work spans issue areas.

As the first Black woman elected Freshman Leadership Representative, she serves the nation as a whole!
