As an independent think tank, the Brookings Institution does not take institutional positions on any issue.

Consistent with the Brookings Institution's commitment to independence (which includes not taking Institutional positions on issues), I am hereby informing the Committee that my testimony represents my personal views and does not reflect the views of Brookings, its other scholars, employees, officers, and/or trustees.

In further response, with consideration to the fact that I am testifying on my personal views, I am providing a link to reports that outline Brookings's donors, including any responsive Federal grants or contracts (including subgrants and subcontracts), and/or agreements or payments originating with a foreign government for the relevant time period. These Federal and/or foreign grants or payments were for independent research and analysis related to a number of subject matters, including a portion of which may be related to the subject matter of the hearing. Brookings will update these reports twice annually.

Furthermore, out of an abundance of caution, I have affirmatively responded to questions 5 and 6 above, in the event that some of the donors disclosed above are responsive to these questions.

Please also note that Brookings may also have ongoing agreements with a portion of the donors disclosed above, which could include future payments to Brookings. Upon request, Brookings will provide responsive information regarding ongoing agreements with any donors responsive to this disclosure.

Finally, in the event that you would like additional information related to Brookings's donors, please review Brookings's Annual Reports.
