WITNESS BIOGRAPHIES

Raj Shah

Raj Shah is the chairman of Arceo.ai, a cyber-security start-up. Raj is also a visiting fellow at the Hoover Institution at Stanford University. Most recently he was the managing partner of the Pentagon's Defense Innovation Unit Experimental (DIUx), reporting to the Secretary of Defense. Raj led DIUx in its efforts to strengthen U.S. armed forces through contractual and cultural bridges between Silicon Valley and the Pentagon. Previously, Raj was senior director of strategy at Palo Alto Networks, which acquired Morta Security, where he was chief executive officer and co-founder. He began his business career as a consultant with McKinsey & Company. Raj serves as anF-16 pilot in the US Air Force and has completed multiple combat deployments. He holds an AB from Princeton University and an MBA from the Wharton School at the University of Pennsylvania.
