

OBJECTIVE ANALYSIS. EFFECTIVE SOLUTIONS.

Beth J. Asch

Senior Economist

Santa Monica Office

Education

Ph.D. and M.A. in economics, University of Chicago; B.A. in economics, University of California, Los Angeles

One Page Bio

Beth Asch is a senior economist at the RAND Corporation. Her areas of study include labor economics and defense manpower. She has led numerous studies on compensation design in the military and in the federal civil service, and on military recruiting and personnel supply to the armed forces. Her most recent work includes military retirement reform, enlistment supply and recruiting resource effectiveness, and retention and compensation in the federal civil service. Asch's research has been widely disseminated as reports, briefings, and journal articles among the policy community, the media, and the academic community. Asch received her Ph.D. in economics from the University of Chicago.

The RAND Corporation is a research organization that develops solutions to public policy challenges to help make communities throughout the world safer and more secure, healthier and more prosperous. Visit us on the Web at www.rand.org.
