UNITED STATES AIR FORCE

## LIEUTENANT GENERAL DOROTHY A. HOGG

Lt. Gen. Dorothy A. Hogg is the Surgeon General, Headquarters U.S. Air Force, Arlington, Virginia. General Hogg serves as functional manager of the U.S. Air Force Medical Service. In this capacity, she advises the Secretary of the Air Force and Air Force Chief of Staff, as well as the Assistant Secretary of Defense for Health Affairs on matters pertaining to the medical aspects of the air expeditionary force and the health of Airmen. General Hogg has authority to commit resources worldwide for the Air Force Medical Service, to make decisions affecting the delivery of medical services, and to develop plans, programs and procedures to support worldwide medical service missions. She exercises direction, guidance and technical management of a \$6.1 billion, 44,000-person integrated healthcare delivery and readiness system serving 2.6 million beneficiaries at 76 military treatment facilities worldwide.

Prior to her current assignment, General Hogg served as Deputy Surgeon General and Chief, Air Force Nurse Corps, Office of the Surgeon General, Falls Church, Virginia.

General Hogg entered the Air Force in 1984 and has commanded at the squadron and group level, and served as the deputy command surgeon for two major commands. She has deployed in support of operations Enduring Freedom and Iraqi Freedom.
