## Brendan P. Rogers

### **Assistant Secretary of the Navy (Energy, Installations and Environment)**

The Honorable Brendan P. Rogers assumed the responsibilities of the Assistant Secretary of the Navy for Energy, Installations and Environment on December 23, 2025. He is responsible for providing oversight and policy for Navy and Marine Corps installations and contingency bases, real estate, infrastructure, energy, resilience, environment, mission readiness, natural and cultural resources, compatibility and encroachment and safety and occupational health.

Prior to his appointment, Mr. Rogers served in a variety of senior leadership positions in the private sector. Most recently, Mr. Rogers was a Partner and Chief Operating Officer of BDT & MSD Partners, a merchant bank with an advisory and investment platform built to serve the distinct needs of business owners and strategic, long-term investors. Mr. Rogers spent ten years working in both portfolio management and operational roles at several hedge funds, as well as two years consulting with several Fortune 500 companies, implementing a wide range of business improvement strategies.

Prior to his career in the private sector, Mr. Rogers served ten years in the U.S. Navy. As a member of the U.S. Navy SEAL Teams, Mr. Rogers brings extensive operational experience to his current role. After his military career, Mr. Rogers Co-Founded the Navy SEAL Foundation, a national non-profit that supports the SEAL Team members and their families.

Mr. Rogers received an MBA from Harvard Business School in 2002 and a B.S. degree with honors in Mechanical Engineering from the U.S. Naval Academy in 1990.
