

Dr. Eric J. Labs
Senior Analyst for Naval Weapons and Forces
Congressional Budget Office

Eric Labs is Senior Analyst for Naval Forces and Weapons at the Congressional Budget Office in Washington, D.C. He specializes in issues related to the procurement, budgeting, and sizing of the forces for the Department of the Navy. Dr. Labs has testified before Congress numerous times and published many reports under the auspices of the Congressional Budget Office as well as articles and papers in academic journals and conferences, including the U.S. Naval Institute's *Proceedings*, *Sea Power* magazine, and the *Naval War College Review*. He has given presentations to a variety of industry, government, and academic audiences. He was awarded CBO's highest honor, the Director's Award for Exceptional Achievement, in 2001, 2003, 2007, and 2014. He received his doctorate in political science from the Massachusetts Institute of Technology and graduated from Tufts University, *summa cum laude*, in 1988. He was elected to Phi Beta Kappa in his junior year. Dr. Labs worked for the Institute for Foreign Policy Analysis in Cambridge, Massachusetts and, from 1994 to 1995, as a Visiting Scholar at the Center for International Security Studies at the University of Maryland. Dr. Labs has been with the Congressional Budget Office since 1995.
