

Mr. Jeffrey McCormick
Senior Intelligence Analyst
National Air and Space Intelligence Center

Mr. Jeffrey N. McCormick is a Senior Intelligence Analyst in the Ballistic Missile Analysis Squadron, National Air and Space Intelligence Center, Wright-Patterson Air Force Base, Ohio. NASIC is the Air Force and Department of Defense Center of Excellence for scientific and technical intelligence in the air, space, missile and cyberspace domains. As a Senior Intelligence Analyst, Mr. McCormick guides the Networked Weapons and Modeling Intelligence Group's ballistic missile analytic production, ensuring timely delivery of relevant intelligence data products and services to enable multi-domain operations, drive weapons system acquisition, and inform national defense policy.

Mr. McCormick began his government service upon graduation from Purdue University, Indiana. He has serviced in his current Senior Intelligence Analyst position since 2018.
