Zach Worsham is Vice President of Winterwood Incorporated, a family-owned real estate development and property management firm specializing in affordable housing. In his role, Zach oversees the company's real estate development and construction operations. Throughout his career, he has directed more than $390 million in affordable housing investments across 4 states, helping to create and preserve housing opportunities throughout our region.

Beyond his professional responsibilities, Zach is actively engaged in public service and non-profit leadership focused on housing and community development. He previously served as a member of the Lexington-Fayette Urban County Government Urban Gowth Master Plan Advisory Committee and as Board President of Access Ministries Ky Inc.. He currently serves on the Kentucky Housing Policy Advisory Committee and the Mayor's Task Force on Homelessness, and is Vice President of the Board of Kentucky Habitat for Humanity.
