

Amendment to the Chairman’s Mark

Offered by Representative Peters

Stop Shutdown and Protect Infrastructure from Republican Cuts

1. Increase budget authority and outlays for Function 400 by the following amounts in billions of dollars to prevent extreme funding cuts in our nation’s infrastructure that will make air and rail travel less safe, cause more disruptions that will cripple our nation’s economy, and shortchange Highway Trust Fund amounts to state and local governments.

| | 2024 | 2025 | 2026 | 2027 | 2028 | 2029 | 2030 | 2031 | 2032 | 2033 |
