

Amendment to the Chairman's Mark

Offered by Representative Doggett

Adjust Function 500

1. Increase budget authority and outlays for Function 500 by the following amounts in billions of dollars to ensure unelected billionaires are prevented from slashing vital funding that students around the country rely on.

	2025	2026	2027	2028	2029	2030	2031	2032	2033	2034
BA	14.5	14.8	15.1	15.3						
Outlays	0.35	14.6	14.7	15.0						

2. Make all necessary and conforming changes to the Chairman's mark.
3. Amend the committee report to reflect the following policy assumptions:

The Department of Education provides critical funding to students, schools, colleges, and universities. It supports high-needs students, strengthens after-school programming, supports financial aid, and increases educational opportunity. Unelected, unvetted billionaires and their henchmen have tried to take over and dismantle the Department of Education.
