Amendment to the Chairman's Mark

Offered by Representative Watson Coleman

Rescind Funding for ICE and CBP

1. Decrease budget authority and outlays for Function 750 by the following amounts in billions of dollars to eliminate funding provided through reconciliation for Immigration and Customs Enforcement (ICE) and Customs and Border Protection (CBP) in P.L. 119-21 and P.L. 119-98.

	2027	2028	2029	2030	2031	2032	2033	2034	2035	2036
BA	-153									
Outlays	-75	-41	-16	-7	-7					

2. Make all necessary and conforming changes to the Chairman's mark.
3. Amend the committee report to reflect the following policy assumptions:

The resolution rescinds billions of dollars to significantly expand detention, deportation, and enforcement operations without sufficient oversight or accountability.

The resolution supports rescinding excessive reconciliation funding for ICE and CBP and redirecting those resources toward policies that lower costs for working families.
