

Biography of Bruce Stevens Resource Services, LLC

Bruce Stevens is the President of Resource Services, LLC, an Indiana based consulting firm providing services to the coal industry. He received a Bachelor of Science degree in geology from Indiana State University in 1988 and had graduate level course work in groundwater hydrology afterward. He is licensed in Indiana as a Professional Geologist and is an officer of the Indiana Coal Mining Institute and Coal Education Development and Resources Indiana. He was employed by the Indiana Department of Natural Resources, Division of Reclamation in 1989. During his tenure at the Division of Reclamation he was a surface and groundwater hydrologist becoming Division Director in 2000. In 2013, he accepted a position with the Indiana Coal Council, Inc., the trade association for the coal industry in the state of Indiana and served as President until departure at the end of 2020. He has been a lifelong resident of rural Clay County Indiana near the small community of Coalmont.
