

Mrs. Amy Stier, Richmond, Michigan. Amy Stier is the wife of Ray Stier, a Richmond Board of Education member who concurrently serves in the US Air Force. Ray Stier was deployed in October 2025. While he was away, he participated in school board meetings virtually while practical, until military security surrounding his deployment precluded virtual participation in the meetings. Multiple board members said his absence was doing a “disservice” to the district and suggested he should resign.
