Re: HR 7362 Form 5500 Filing Simplification Act

Dear Representative Grothman:

On behalf of the Small Business Council of America (SBCA), we want to thank you for your sponsorship of the Form 5500 Filing Simplification Act (HR 7362). The SBCA strongly supports the bill and stands ready to lend our support to your efforts.

The SBCA is the only national organization whose sole purpose is to represent the interests of privately and family-owned businesses in federal income and estate tax matters, health care, pension, and other employee benefit areas.

By establishing a uniform deadline for filing the Form 5500, the Form 5500 Filing Simplification Act will eliminate unnecessary administrative burdens and expenses for the millions of small businesses that offer employee benefit plans. The establishment of a uniform filing deadline would present a common-sense bipartisan solution to a clear and fixable challenges.

In conclusion, the Small Business Council of America endorses HR 7362 and will make ourselves available to fully support your efforts to protect America's small businesses.

Yours Very Truly,

Gary Kushner, Chair
