

Rep. Kevin Kiley

@RepKiley

I will never stop fighting for independent workers. This hearing will shine a light on #AB5 architect Julie Su's destruction of workers' livelihoods in CA and the threat her policies and ruthless enforcement pose to millions of workers nationwide.

"The last thing our economy needs right now is overreaching federal policies that discourage work and attack workers. ... Our committee will protect the freedom of American workers to earn a living as they choose and will fight every effort by Washington bureaucrats to take that right away."

Workforce Protections Subcommittee Chairman

Kevin Kiley (R-CA)
