

Greta Kessler, Vice President Employee Health & Benefits Marsh McLennan Agency Eastern Shore SHRM, Director, Legislative Advocacy (Volunteer)

As Vice President of Employee Health & Benefits, Greta works with dozens of employers seeking to improve their employee benefits. In this role, she leverages the innovation at Marsh McLennan Agency through her “impact-driven” consulting role. In collaboration with Greta and other experts at Marsh, the team customizes solutions to save money, improve lives, and create better value for healthcare plan participants and their families.

In addition to her expertise in employee benefits and workplace policy, Greta’s enthusiasm extends to legislative advocacy. As a volunteer, she has been actively involved serving Maryland’s Human Resources community for decades. Greta offered testimony at the state level for workplace policy issues. She also offered her insights on private sector benefits and trends to the House Select Committee on the Modernization of Congress. This advocacy supports her client’s positions and organizations such as SHRM, CHRA, the Maryland Chamber, and the Maryland Retailers Association.

Greta served two terms on the Maryland Prescription Drug Affordability Stakeholder Council, which provides stakeholder input for Maryland’s Prescription Drug Affordability Board. This board is the first of its kind in the US, focused on affordability and high-quality healthcare for Marylanders.

Greta’s body of work reflects her commitment to improving healthcare outcomes, advocating for employee benefits, workplace policy and driving a positive impact in her community.
