

Judson Horras is the President & CEO of the North American Interfraternity Conference. After more than 18 years serving Beta Theta Pi—over eight as the Administrative Secretary (CEO)—he took on this role in 2016 to lead the NIC into the future. Jud is a graduate of Iowa State University and presently splits time between Indianapolis and Ames. His daughter, Anna, attends Iowa State and has joined a sorority, and he hopes his son, Andrew, will have a meaningful fraternity experience in the near future.
