

Mary Lou Burke Afonso, COO, North America Center Operations, is a 30-year veteran of Bright Horizons, having served in a variety of leadership roles in nearly every aspect of the organization, including operation, finance and client relations. In her current role, she is responsible for overseeing the operational leadership and management of all North America-based child care centers and schools. She also oversees all center relations with current clients. Mary Lou is a graduate of Boston College School of Management, was a CPA at Price Waterhouse and lived overseas in France for Bose. Her two daughters are graduates of Bright Horizons early education and preschool.
