

Katharyn Hanson Ph.D.  
Fellow, Penn Cultural Heritage Center,  
University of Pennsylvania Museum

### Biography

Katharyn Hanson, Ph.D., is a fellow at the University of Pennsylvania Museum's Cultural Heritage Center and a Visiting Scholar at the Geospatial Technologies Project at the American Association for the Advancement of Science. She works as an archaeologist specializing in the protection of cultural heritage. Katharyn received her doctorate from the University of Chicago with a dissertation entitled: Considerations of Cultural Heritage: Threats to Mesopotamian Archaeological Sites. She has curated museum exhibits and published on damage to ancient sites in Iraq and Syria. Her research combines archaeology, remote sensing, cultural heritage, and public policy. She has been involved in various archaeological fieldwork projects for over 19 years. She also serves as the Program Director for the Archaeological Site Preservation Program at the Iraqi Institute for the Conservation of Antiquities and Heritage in Erbil, Iraq.
