

## **Thomas J. Bollyky**

Thomas J. Bollyky is the director of the global health program and senior fellow for global health, economics, and development at the Council on Foreign Relations. He is also an adjunct professor of law at Georgetown University. Mr. Bollyky is the author of the book *Plagues and the Paradox of Progress: Why the World is Getting Healthier in Worrisome Ways* and the founder and managing editor of Think Global Health, an online magazine that examines the ways health shapes economies, societies, and everyday lives around the world. Previously, Mr. Bollyky served in a variety of positions in the U.S. government, most recently at the Office of the U.S. Trade Representative (USTR). He received his BA in biology and history at Columbia University and his JD at Stanford Law

School, where he was the president of the Stanford Law & Policy Review.
