

**AMENDMENT TO THE AMENDMENT IN THE  
NATURE OF A SUBSTITUTE TO H.R. 1228  
OFFERED BY M . \_\_\_\_\_**

In section 2(b)—

(1) redesignate paragraphs (9) through (15) as paragraphs (10) through (16), respectively; and

(2) insert after paragraph (8) the following:

1           (9) to help protect Libya’s civilian population  
2           and implementing humanitarian and international  
3           organizations from the risk of harm resulting from  
4           explosive hazards such as landmines, improvised ex-  
5           plosive devices (IEDs), and unexploded ordnance  
6           (UXO);

In section 301

(1) redesignate subsection (d) as subsection (e);

and

(2) insert after subsection (c) the following:

7           (d) INTEGRATION OF DEPARTMENT OF STATE-LED  
8           STABILIZATION EFFORTS.—

9           (1) SENSE OF CONGRESS.—It is the sense of  
10          Congress that the Secretary of State, working with  
11          United States allies, international organizations, and

1 implementing partners, including local implementing  
2 partners, to the extent practicable, should continue  
3 coordinated international stabilization efforts in  
4 Libya to—

5 (A) build up the capacity of implementers  
6 and national mine action authorities engaged in  
7 conventional weapons destruction efforts and  
8 mine risk education training and programs; and

9 (B) conduct operational clearance of explo-  
10 sive remnants of war resulting from the 2011  
11 revolution and current military conflict in  
12 Libya, including in territory previously occupied  
13 by ISIS-Libya, and particularly in areas where  
14 unexploded ordnance, booby traps, and anti-per-  
15 sonnel and anti-vehicle mines contaminate areas  
16 of critical infrastructure and large housing dis-  
17 tricts posing a risk of civilian casualties.

18 (2) IN GENERAL.—To the maximum extent  
19 practicable, humanitarian assistance authorized  
20 under subsection (b) and the strategy required by  
21 subsection (c) shall take into account and integrate  
22 Department of State-led stabilization efforts—

23 (A) to address—

24 (i) contamination from landmines and  
25 other explosive remnants of war left from

1 the 2011 revolution and current military  
2 conflict in Libya, including in territory pre-  
3 viously occupied by ISIS-Libya; and

4 (ii) proliferation of illicit small arms  
5 and light weapons resulting from such con-  
6 flict and the destabilizing impact the pro-  
7 liferation of such weapons has in Libya  
8 and neighboring countries; and

9 (B) to mitigate the threat that destruction  
10 of conventional weapons poses to development,  
11 the delivery of humanitarian assistance, and the  
12 safe and secure return of internally displaced  
13 persons.
